

Last Day
of School!

The Summer Term finishes at
1:30pm on Friday 20th July.

Summer Fayre

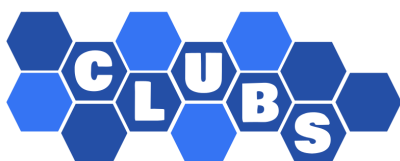

What glorious weather we had last Friday for our Summer Fayre! With the Wheel of Fortune, In It To Win It, Penalty Shoot Out, Buzz-Wire Game, Face-painting, a Tombola, and a visit from our local Fire and Rescue Service—there was lots of fun to be had! A special 'Shout Out' goes to our Year 6s who's home-made scones stall raised £42!! Thank you to all of our helpers who contributed towards the successful running of the fayre, and to our wonderful PTA for organising this fun-filled event, which raised £1,333.10!

On Friday 22nd June our Year 4 Cookery Club took part in a charity cake sale along with the White River Cinema in aid of the RNLI.

The club helped to cook cheese scones, rock cakes and lemon drizzle tray bake in the morning then helped sell their produce outside of the cinema in the town centre in the afternoon - they were very persuasive in getting members of the public to purchase their goods!

Along with cakes/buns made by the cinema staff, we helped to raise around £170! Well done Yr4 Cookery Club, you have made Mrs Boynton and Mr Behennah very proud!

Fundraising for the RNLI!

KIDS
against
PLASTIC

Throughout the course of this term, our Year 4 children have been extensively researching the issues facing our oceans. They have looked

in detail at the different animals which are on the verge of extinction and the main reasons behind this...PLASTIC. As part of this project, they have been designing their own reusable bags.

This picture, drawn by Lily in 4BR, has been chosen as the design for Mount Charles School's very own reusable bags! These are available to buy through ParentPay.

Our lost property collection has grown! Please come and collect your child's items!

Charlies After School Club closes at 3pm on the last day of term

SPORTS

Netball

Team: George, Millie, Ella, Denis, Kieran, Katie and Tilly.

On the 29th June, the Mount Charles Netball team went to Redruth for the Cornwall County Games.

There were eight teams in total, but we were split up into two leagues of four. The team knew it would be a high standard of netball at this stage, but they didn't let this get to them! The results were:

Stratton 3 – MCS 0

Marazion 1 – MCS 2

King Charles 0 – MCS 8

This meant that we came second and were through to the semi-final, where we had to play against Millbrook. Despite their fantastic efforts, they weren't able to score as many goals as Millbrook.

In order to determine who came in third or fourth place, we had one more game to play against Stratton, who had previously beaten us in the first stage. This was a very tense match! At full time, the score was: Stratton 2 – MCS 2. So, we had to play again, the first team to score won. Within seconds, the ball was passed from Kieran, to George, then to Ella who scored the final goal. This meant that we had come third out of the whole of Cornwall. It was a well-deserved win and the whole team should be extremely proud of their achievement.

Athletics

On Wednesday 4th July, Mount Charles School attended the County Athletics Finals held at Par Running Track. We took a team of 15 children from years 4, 5 and 6. These children had competed well at the St Austell District Athletics Event and were keen to test themselves against the best in the county! They represented their school really well and competed excellently. The standard of competition was high, so we were all delighted that there were several medal successes and two county champions! Thanks to Mrs Body for supervising the children and to the parents that were able to attend and support the children.

Cricket

Our Year 5 team played four matches altogether at the Cricket games last week and represented the school very well. The scores were:

MCS 225-2 beat Truro Prep B 203-8

MCS 236-3 lost to Biscovey 240-2

MCS 252-2 beat Truro Prep C 249-1

MCS 245-2 beat Charlestown B 231-2

Some super performances with both bat and ball! THE children made some great catches and played some good looking shots. Ethan captained the side well and led from the front.
