

PARENTAL SURVEY-PE Premium spending

July 9th 2018

Dear Parent/Carer

Next year the government have committed to providing all primary schools with PE Premium money. This is the third year of the scheme aimed at promoting increased physical activity and healthy lifestyles. It is in part funded through the Sugar Tax Levy on soft drinks.

At Mount Charles we have used our PE Premium money in various ways. We have been able to offer different clubs, attend more sporting competitions and festivals and invite specialists into school to work with staff and children. A full breakdown of how we have been spending this premium is on our website.

We are currently planning for next year and would like your help. If you have ideas for new clubs you would like to see offered, or sporting opportunities you'd like us to try, please get in touch. We are proud of our sporting success at Mount Charles, but we are always looking at new opportunities to promote physical activity and well-being for all of our children. We appreciate your time considering how we can improve this further.

Please fill in the tear off slip below and return it to the school office, or the class teacher, who will pass it on to me.

Many thanks

S. Grigg

.....

I think some of the money could be used for:
