Torchlight Carnival

The carnival is on Saturday. We hope to have a great time.

- Please wrap up warm - (gloves are a good idea for holding the lanterns)
- Every child needs an adult with them. Adults that are walking with children are welcome to come lit up to join in the carnival atmosphere!
- Please meet at St. Austell College at 5.30 p.m. Look for a huge green beast. The carnival finishes at the Council Offices (it does take a while - you can jump out of the procession if you need to) Mrs. Bunting will be leading this as unfortunately I am unable to be there this time.
- We will send lanterns home on Thursday - please don't turn on and waste the battery (we have NO spares!)
- If you have a small torch that we could borrow (we will return on the Monday) please bring it in and we can use it to light our beast..

Any questions, please come and see us.

Yours sincerely,

Miss Nile
