

English

In English, we will be writing a nonsense poem and a play script based on our class novel.

Maths

Maths will be taught using the Singapore maths scheme. We will be following the Singapore Maths No Problem books and multiplication and division.

RE

We will be learning about the religion Judaism by understanding the importance of the Torah and the religious laws that Jewish people follow.

Geography

In geography, we will be learning about the journey of foods and where different foods come from in the world.

Spring Term 1 Scrumdiddlyumptious

Science

We will be exploring foods using our senses and learning about how to lead a healthy lifestyle.

PSHE

We are following the Jigsaw scheme. We will be learning about Dreams and Goals.

History

We will be researching and learning about the life of James Lind.

Art/DT

- Observing and drawing different fruits and vegetables
- Studying the artist Arcimboldo
- Sampling and evaluating different types of bread
- Following instructions to prepare different foods
- Understanding how to have a healthy and varied diet
- Designing packaging for a food product.

Computing

We will be learning program and code using Scratch with a focus on using the repetition command.

PE

We will have two sessions a week of PE. We will be doing outdoor education on a Monday and dance on a Thursday.
