

English

In English, we will be writing an adventure narrative based on our topic and an information and explanation text based on the Stone Age.

Maths

Maths will be taught using the Power Maths scheme. We will be continuing to look at units on fractions, angles and properties of shape.

RE

We will be learning about the religion Hinduism. The focus is learning to understand the Hindu belief that there is one God with many different aspects.

History

We will be looking at the pre-history of Britain including the Stone Age, Bronze Age, and the Iron Age.

Year 3 The Stone Age Summer 2

Science

We will be investigating light and shadows and learning more about the life cycle of plants.

Geography

We will be looking at the pre-history of Britain using aerial photographs and maps.

Reading

We will be reading daily in Accelerated Reader.
Our Class Book is:
Stig of the Dump

Design & Technology

We will be researching, designing and creating Stone Age outfits.

PSHE - Jigsaw

Our jigsaw piece is 'Changing Me'. We will be learning about the different changes humans go through as they grow from a baby to an adult.

French

Our French topic this term is called 'Time'. We will be learning number names, days of the week, months of the year and how to say key phrases linked to telling the time and date.

Computing

We will be learning to create a branching database and imaginary situations using a simulation tool through our Purple Mash scheme of work.

PE

We will have two sessions a week of PE. We will be doing an athletics unit and an outdoor education unit.

Music

Our unit of work is called 'Reflect, Rewind and Replay'. We will be listening to a range of different songs consolidating the skills the children have been practising in Year 3.
