Dear Parents and Carers,

Coronavirus Update

We would like to assure you that we are still closely monitoring, and following, the latest information and advice issued by Public Health England with regards to the Coronavirus (COVID-19) outbreak.

Please follow the direct link [here](#).

Mount Charles School will remain open for the foreseeable future. Any decision to close will be based on Government direction and following advice from Public Health England. We have been planning for the future possibility of school closure and families required to self isolate. We have prepared guidance for parents / children to access online learning. Please familiarise yourselves at home and let us know if you have any questions or do not have internet access. We have also collated work books and physical materials which will be sent home in the event of a full closure.

Thank you for your continued vigilance and support.

Yours sincerely

Claire Bunting
Headteacher
