

# All About My New School

Your new school is called **Mount Charles School**.

Here is the special Mount Charles Logo.

# Welcome to Your New School

We are so excited that you will soon be joining us at Mount Charles School and we can't wait to meet you.

Here is a photograph of your new school.

# Meet Your Teachers

Hi there, my name is Miss Hildyard and I am the EYFS/Year 1 Leader and Reception Class Teacher.

I love long walks with my dog Buster and eating ice-cream on the beach. I also love reading a good book.

Hi my name is Mrs Waugh and I will be sharing a class with Mrs Scotland.

I love spending time with my family, singing and things that make me laugh.

Hi, I'm Mrs Scotland and I will be sharing a class with Mrs Waugh.

I love taking my dogs Bonnie and Kiki for a walk, baking chocolate brownies and playing games.

**These are our two Reception classrooms.**

# Other Important People in School

My name is Mrs Bunting and I will be your Head teacher. I like to swim in the sea, go running in the woods and reading books. I am really looking forward to meeting you soon.

I am Miss Nile. I am the SENDCo and help children with their learning at school. I love swimming, riding my bike and being on the beach. I am looking forward to meeting you soon

My name is Mrs Hann and I am the Pastoral Care Manager for Mount Charles. I love spending time with my family going to the beach and I really enjoy lovely walks with my dog.

There are so many lovely things to play with and do in the classroom. Here are a few things that you may enjoy.

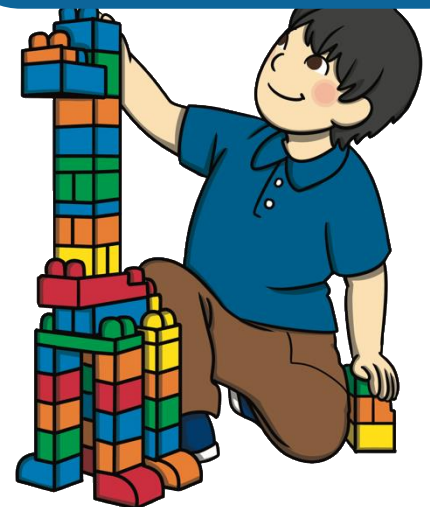

This is our small world area. We have wild animals, dinosaurs, castles, cars and much more!

In the construction zone we have wooden blocks, Lego, stickle bricks, mobilo... I wonder what you will build?

You can have great fun with your friends in our games and puzzle area.

If you like to draw, paint and create then come and visit the craft area.

**We also love to learn and play outside.  
Here are some photos of our lovely outside area.**

This is  
our big sand  
box.....

.....and our bikes.

We have great  
fun in our  
water tray.....

....and building  
with the big  
blocks.

**What would you like to play with?**

# On my first day I will need....

A water bottle with your name on it...

a coat.....

a sun hat.....

and a family photograph.

You do not need to bring in a snack as this will be provided at school.  
Please remember not to bring in any toys from home.

# How will I keep myself and others safe?

In the morning the adults from your class will meet you at your drop off point and take you to your classroom. On the school website (Returning to School tab) you will find a map which shows you where your drop off point will be

You will say goodbye to your parents at the gate.

You will be in your class bubble, but there will also be times when you mix with other children from your year group.

At lunch time you will eat your lunch at a table in the hall.

You will have playtime with your year group bubble, but you won't be able to play with children from other year groups. You must stay in your outdoor space at play times. Each bubble will have their own equipment to play with at playtimes.

The virus is still here so we will be cleaning our hands a lot more to help keep everyone safe. We will clean our hands when we go into the classroom, after going to the toilet, when we cough or sneeze and before and after eating. We have some special cleaning stations to help us to do this.

We all have coughs and sneezes, and this doesn't mean we are poorly. When we cough and sneeze, we need to be respectful of others and remember to catch our germs in a tissue and put them in the bin.

Don't forget to wash your hands!

**CATCH IT.**

**BIN IT.**

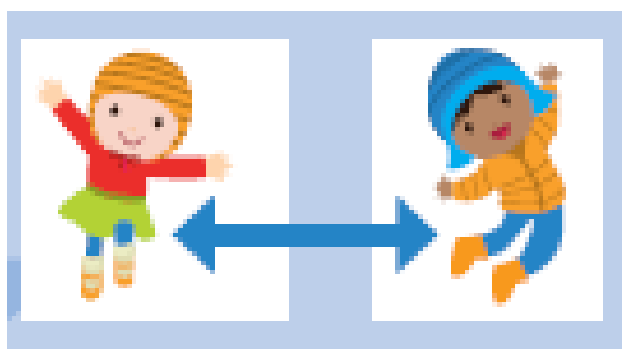

**KILL IT.**

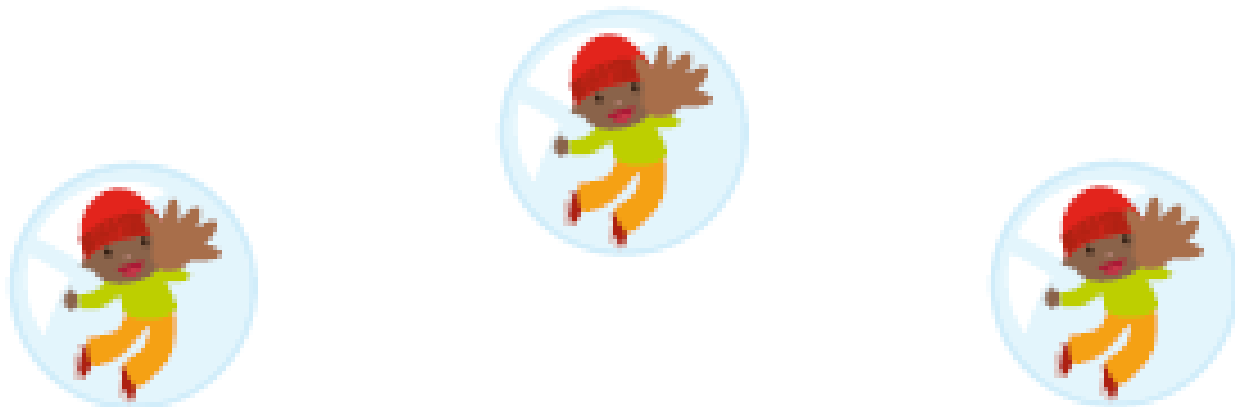

If you feel unwell, it is important to tell a grown up so they can take care of you. If you do get sick, it doesn't mean you have COVID-19. People can get sick from all kinds of germs.

At the end of the day, an adult from your class will take you back to your collection point to meet your home grown-up.

It will be lovely to be in school and meet new friends but we must remember to try to keep a little bit away from each other. We can still be friends even if we don't touch.

It might help to think about being in a bubble and this is your safe space. We want to keep our bubbles from touching some one else's bubble, as this will stop germs from spreading.

We know you might be a little bit nervous about starting school. Your teachers are really looking forward to seeing you and we can all help each other to keep safe whilst we are learning.

On the school website, you can find a lovely video from your new class teacher. Go to the 'Pupil Information' tab on the school website and then click on 'Reception'.

**We can't wait to see you soon!**
