

### English

Children will be learning to write recounts, diary writing, rhymes and mnemonics, descriptions and information booklets relating to memories and growing up.

### Maths

Maths will be taught using the Singapore Maths scheme. We will be focusing on numbers to 10, number bonds to 10, addition within 10 and subtraction within 10.

### Science

We will be exploring animals, including humans- body parts and senses, and working scientifically. We will be focusing on what we can remember, what makes the loudest sound and how things feel.

### Geography

We will be conducting some fieldwork in the local area.

### Art

Drawing, painting and collage of self-portraits and family portraits, focussing on the style of Picasso.

### RE

Christianity- Harvest Festival

## Autumn Term 1 Memory Box

Phonics will be taught daily using Read Write Inc.

### History

We will be focussing on changes in living memory. We will be exploring, comparing and ordering different artefacts from past and present and reflecting on how things have changed.

### PSHE- Jigsaw scheme

Caring for babies and toddlers, sharing memories, playing and working collaboratively, things that make us happy/sad, feeling positive.

### Music

Songs from the past, songs that help us remember, writing a class song

### PE

Dance sequences and traditional games

### ICT

Children will be learning to log on and log off, e-safety, Tizzy-counting caterpillar, picture book and Sumdog

### DT

Making party food, celebration cards, making a memory box and designing a toy.
