

English

In English, we will be writing a narrative based on adventure story, a newspaper report linked to our topic and a poem based on shape poetry.

Maths

Maths will be taught using the Power Maths scheme. We will be covering units on fractions, angles and properties of shape.

RE

We will be learning about the religion Hinduism. The focus is on the pilgrimage to the River Ganges.

Science

We will be investigating different types of rocks through making observations and finding out about their properties. We will be learning about the earth's layers through different models and diagrams.

Geography/History

We will be learning about the impact of earthquakes and tsunamis and the impact they have on the people and the surrounding environment. We will be looking at what causes a volcano to erupt and making deductions about the volcano eruption in Pompeii during the year 79 AD.

Year 3 Tremors Summer 1

Reading

We will be reading daily in Accelerated Reader.
Our Class Book is:
Firework-Maker's Daughter

Art

We will be creating images of volcanoes working in the style of artist Jackson Pollock using acrylics and watercolours.

PSHE - Jigsaw

Our jigsaw piece is 'Relationships'. We will be learning how some of the actions and work of people around the world help influence our lives.

French

Our French topic this term is called 'Our School'. We will be learning vocabulary related to different subjects and objects found in pencil cases.

Computing

We will be learning to write emails and attach files safely through our Purple Mash scheme of work.

PE

We will have two sessions a week of PE. We will be doing a dance unit called 'The Language of Dance' and an athletics unit.

Music

We will be focusing on the song "Bringing Us Together", and listening to and appraising music, using composing tools and performing using music following our Charanga scheme of work.
