

## Home School Agreement

**September 2022**

The Department for Education requires all schools to issue a Home/School Agreement. It is their intention that all parents and school agree and sign this in the best interests of the children. *Our Home School Agreement is now incorporated with our electronic Pupil Data Link, completed when children join our school.*

- The Agreement contains basic common sense, positive activities, all in your child's interests.
- Please read it in conjunction with the advice contained in our Prospectus. A copy is issued to all new families and is on the website, [www.mount-charlessch.org](http://www.mount-charlessch.org), (see Parents' Info – Prospectus & School Information section).
- Discuss it with your child/children.
- Sign your part of the Agreement.
- If you have any issues over signing, please make an appointment to discuss these with myself, Mrs McGovern or Miss Turner (Assistant Headteachers).

**Thank you,**

A handwritten signature in black ink that reads 'Bunting'.

**Mrs. Claire Bunting**  
**Headteacher**

We agree to:

- endeavour to ensure your child/children are safe and secure whilst in school.
- encourage children to do their best at all times;
- keep parents informed about school activities through regular newsletters;
- inform parents what children will be learning throughout the course of the year;
- arrange parents' meetings during which progress will be discussed;
- set and monitor homework for children.

We seek your agreement to:

- ensure your child is safe and secure whilst arriving and departing school.
- make sure that your child arrives on time – our school gates open at 8:30am. Registration starts at 8:45am.
- make sure that your child attends regularly, providing a note of explanation for absence and not taking holidays in term time.
- attend parent consultations to discuss your child's progress;
- support your child in learning to read and in completing homework;
- support the school's policy on behaviour;
- ensure your child is well rested, eats well and is ready to learn;
- talk positively about the school within our community and contact the school if you have a concern.

Together we will:

- keep each other informed of concerns we may have about children's learning;
- tackle any special needs which may arise;
- encourage children to join lunchtime and after school clubs;
- support children's learning to help them achieve their best.
