

Geography

This term we will learn to locate countries in Europe, find out where the Saxons came from and where they settled.

Computing

Researching Anglo Saxon artefacts and looking at settlement maps, will involve using Google maps, virtual tours and websites. We will also be using a book app to show what we've learned.

PSHE- Jigsaw

Our jigsaw piece is 'Healthy Me'. We will be learning how to make good choices so we can be physically and mentally healthy.

Music

STOP! This is a music unit focussing on anti-bullying, including writing raps and songs.

English

We will be discovering what a Kenning is and writing our own. Our exciting Viking visit will form the basis of a recount. The Legend of King Arthur will inspire our story writing.

Spring 2 Traders and Raiders

Science

In Science we will explore sound. We will investigate how sounds are made, travel and how they enter the ear. We will also find out what effects pitch and volume.

R.E

We will be learning about Holy Week, the last week of Lent and understanding more about why this time is so important to Christians.

Maths

Maths continues with learning about fractions and then moving on to decimals. Daily practise will help our rapid recall of multiplication facts.

History

Who were the Saxons?
When did they invade British shores?
Where did they come from?
We will be finding out about all aspects of Viking life.

PE

We will be playing invasion games, using hockey. We will explore defending, attacking, dribbling and shooting.

Art

We will be improving our mastery of art and design techniques through sketching and sculpture. This will involve sketching Gods and Goddesses, as well as making them out of clay.
