

## English

We will be looking at *The Highwayman* in English and will look at the features of a poem. In reading, we will be looking at our whole class book called *Cosmic* by Frank Cottrell-Boyce and answering comprehension questions using VIPERS.

## DT

We will build a rocket by selecting a wide range of materials and components, including construction materials, textiles and ingredients, according to their functional properties and aesthetic qualities. We will then test and evaluate.

## R.E

This term, we will be reading and thinking about Sikh stories. We will decide whether we think they are relevant today.

## Music

We will be looking at the genre of hip-hop music by learning the *Fresh-Prince of Bel Air*. In class we will also be learning the ukulele.

## Geography

We will name and locate counties and cities of the United Kingdom, geographical regions and identify the human and physical characteristics. We will also look at contour lines on a map

# Year 5 Spring 2 Stargazers

## Reading

Our class book is:  
*Cosmic*  
By Frank Cottrell-Boyce

## PSHE

In *Dreams and Goals*, we will consider what jobs we might do in the future.

## French

We will be going shopping for fruit and vegetables and talking about likes and dislikes.

## Maths

We will be continuing with our Power Maths learning. We will concentrate on multiplication and division, fractions and decimals and percentages.

## Science

We will be conducting some experiments to investigate gravity. We will consolidate our knowledge of day and night and carry out some fair test experiment using a homemade rocket!

## History

We will be looking into the race to space and discovering who got there first! We will learn about Katherine Johnson who assisted the first crewed space flights.

## PE

We will be exploring 'flight' in gymnastics.

## Computing

We will continue to use Purple Mash to learn about spread sheets.
