

The following things are recommended for a 2 night stay.

Kit List

If your child would like to take deodorant then it **MUST** be a roll on – NO SPRAYS please.

Around Centre	Activities	General (Not including spare clothes for activities)
1) Pillow + Pillow Slip 2) Sleeping bag 3) Toiletries + Towel 4) Personal Medication 5) Torch 6) Suitable footwear for inside centre	1) Rucksack 2) Full change of clothing 1) Hat 2) T-Shirt 3) Fleece/Jumper 4) Underwear 5) Socks 6) Trousers (No Jeans) 7) Black Bin Liner 3) Waterproof top & trousers 4) Stout footwear, trainers and a pair to get wet (for gorge walking)! 5) Wellington Boots(not essential) 6) Swimwear for under wetsuit for gorge walking	1) T-shirts (x3) 2) Fleece/Jumper (x2) 3) Underwear (x4) 4) Socks (x4) 5) Trousers/Tracksuit bottoms - (x2)* 6) Woolly hat 7) Sun hat 8) Large cold drink bottle 9) Sandwich box (sandwiches for first day) 10) Sun Block *jeans as extra to this are ok for evening activities but not day activities

Even though the residential is June – the ‘winter wear’ is useful as conditions on Dartmoor and at Kit Hill can vary considerably.

There are also the following things that we ask children to bring too:

- A packed lunch in a re-usable container
- Water bottle(s) that are secure and can be re-filled
- Any medication – named – to be handed to either the adult in charge of medication (T.B.C.)
- Cakes / buns so that we can take snacks on activities and for an evening snack too. (hand these to a member of staff on arrival at school)
- A tea-towel (for drying up when it is their groups turn)

We are really looking forward to Camp and seeing the children work as a team to ensure that they all have an amazing time.

We will hold another short meeting before departure so that arrangements can be double checked and confirmed.
