

Thursday 5th March, 2020

Dear Parents and Carers,

Coronavirus Guidance

We would like to assure you that we are closely monitoring, and following, the latest information and advice issued by Public Health England with regards to the Coronavirus (COVID-19) outbreak.

Please click [here](#) for advice on the Coronavirus for places of education in poster format. We have displayed the poster around the school.

The Department for Education (DfE) has set up a helpline open from 8am to 6pm weekdays to complement the advice being provided by Public Health England and the regular updates sent to all educational settings.

We are working closely with the Trust central team and our cleaning contractors to ensure that daily cleaning procedures are thorough and effective.

Staff have followed advice given and have discussed the importance of personal hygiene and regular hand washing with the children. These routines are followed regularly throughout the school day. This has been incorporated into our 'Healthy Me' PSHE focus for this half term. Please continue to discuss this information with your children and encourage them to follow the advice at home as well.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Bunting'.

Claire Bunting
Headteacher
